

ADELONG PRESCHOOL BIKE and ROAD Safety

“When riding your bike you
need to wear a helmet.
Ride on the footpath.”

– Culley

When I ride my bike I always
wear my helmet to keep me safe.

When I ride my scooter I also need to wear a helmet to keep me safe.

In the car I need to wear
a seatbelt to keep me safe.

I need to look after my bike. I fix it when it is broken to keep me safe.

“I can ride on the road
with my helmet when
mum watches me.”

– Faith

When riding my bike I can ride
on the road, but I need to be
with an adult to keep me safe.

I must wear covered in shoes
when I ride my bike or scooter
to keep me safe.

“We need to hold a grown up hand when crossing the road.”

– Nicholas

When crossing the road
I need to hold an adult's
hand to keep me safe.

The police help me to be safe.

“I ride down the big hill
on my bike and hurt
my hand.”

– Linkin

If I don't keep safe I might hurt
myself or have to go to hospital.

It is fun riding my
bike and scooter
if I am safe.

Thank you to Transport for NSW for the NSW Bike Week Grant, Creative Catchment Kids for publishing our book as well as Adelong Preschool educators, children and parents.

Bike and road safety is an annual event at Adelong Preschool during NSW Bike Week.

This publication has been produced by Adelong Preschool with support from Wirraminna Environmental Education Centre and PeekDesigns.
